

WISHING WELLS NEWSLETTER APRIL 2010

Dear Parents

At last we seem to have sunny skies and have been able to refill our sandpit. As the sand makes up the largest area in the play area, please send your children to school in old clothes.

Mini Walk

To date we have raised R8,450.00. This amount has been received from only 21 children, so please moms and dads; any late sponsorship money is still welcome.

Immunization Drive

If you wish your child to be given the oral drops or receive the measles vaccine, please return the consent form by Monday 19th April. The District Nurse from Berario Health Clinic will be visiting Wishing Wells on Monday morning. Please read notice on office window.

TBS Services

Please reads information sheet on office window.

Special Events – Tuesday 4th May

Our next show is about winter. Please remember to pay your R100 if not already paid. This amount covers the entire year.

Photo Orders & Money

Please return all orders with payment by Thursday 29^h April.

Ladybirds

As the Ladybirds are progressing so well, please try not to send any more bottles. Should teacher Christa feel it is necessary for any child to have a bottle she will notify you. Our Ladybirds are

so well organized and already seem to be so “grown up” and for this a big THANK YOU! To Rosie and Christa.

From Me - Diane

As I am fortunate enough to spend some time traveling with my husband, I will be leaving Wishing Wells at the end of May. I have had many great memories over the years which I can attribute to you the parents and your beautiful children. My biggest support has been Christa; I thank you for always standing by me, no matter what. Thank you.

I know that each and every staff member, Christa, Lynn, Estelle, Martha, Florence; Dutu, Rosie; Sisi, Daniel and Ephram will continue to make Wishing Wells the great place it is. WE have always worked as a team and I know they will continue to do so.

Welcome

We would like to welcome Jan Kennedy who will be the Blue Dolphin teacher and school Principal. We hope her stay at Wishing Wells will be a long happy and fulfilling one.

“When you find a dream inside your heart, don’t ever let it go, for dreams are the tiny seeds from which a beautiful tomorrow grows”

Regards from

Diane, Christa & Lynn & Estelle
